## **Price Increase Announcement**

March 12<sup>th</sup>, 2021

To You, Our Valued Customers:

Effective with shipments May 1st, 2021 Steel Dynamics, Inc., Engineered Bar Products Division will be increasing the base price on all Special Bar Quality products by \$55.00 a ton (\$2.75 cwt).

This increase will affect orders not covered by a previous price agreement.

If you have any questions, please contact your SDI Sales Representative.

We appreciate your business and continued support.

Sincerely,

Jeff Cordill  
Sales & Marketing Manager
