July 30, 2024

To all our valued customers:

Please be advised that Steel Dynamics Engineered Bar Products Division fuel surcharges will be as follows, effective with shipments on Thursday August 1, 2024:

- ❖ Truck freight will remain 26% of the rate.
- ❖ Rail freight will change to 0.44/route mile.

We will continue to monitor fuel costs closely for any necessary adjustments in the future.

Sincerely,

Greg Dickerson  
Dispatcher
