**Ref: Approved Supplier Certification**

Dear Mr. Thompson,

With this letter, please find Certificate Number BPI-AS-21 which has been issued to Steel Dynamics, Inc. for Accreditation as an Approved Supplier. This is in accordance with a recent re-certification audit performed by Barsplice. This accreditation is valid until May 25, 2019.

Please note that:

1. Barsplice must be issued a controlled copy of the latest Steel Dynamics, Inc. Level 1 Quality Control Manual. The controlled copy shall remain controlled until Steel Dynamics, Inc. initiates a revision to their manual at which time a new controlled copy of the revised manual will be issued to Barsplice.
2. This accreditation is based on the satisfactory results of annual performance assessments that supplement triennial audits.
3. This accreditation will automatically terminate in the event that Barsplice Products Inc. fails to maintain its status with ASME as a Quality Systems Certificate Holder.
4. This Accreditation will terminate in the event of the occurrence of unsatisfactory performance with respect to the scope of Steel Dynamics, Inc. certification.

Thank You for your support and contribution to this program.

Sincerely,

A handwritten signature in blue ink that reads "Patrick Cook". The signature is written in a cursive style.
