Collect Customer Freight Pick-up

Collect Customers and Carriers,

After a trial period and much feedback from Customers and their Carriers, SDI Transportation Pittsboro has made the move to return to a First Come First Serve shipping facility.

SDI Transportation Pittsboro no longer requires appointment times, but as has been the policy since November 2017, Carriers still need to email [pit-shipping@steeldynamics.com](mailto:pit-shipping@steeldynamics.com) to have their load put on the day's schedule. If a load is not on the day's schedule, the driver will be sent to the truck stop until the dispatcher has scheduled the load. *Please use the email instead of calling, as email provides a record of the transaction.*

Improvements are in process to expedite loading times at Pittsboro. We appreciate your patience as we make these changes and continue to move forward in a way that improves SDI Pittsboro as well as our Customer and Carrier experience here.

*Best Regards,*

*SDI Transportation and Shipping*
