---

April 28, 2026

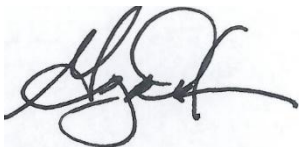

To all our valued customers:

Please be advised that Steel Dynamics Engineered Bar Products Division fuel surcharges will be as follows, effective with shipments on May 1, 2026:

- ❖ Truck freight will remain at 42% of the rate.
- ❖ Rail freight will change to 0.74/route mile.

We will continue to monitor fuel costs closely for any necessary adjustments in the future.

Sincerely,

Greg Dickerson  
Dispatcher
