October 27, 2026

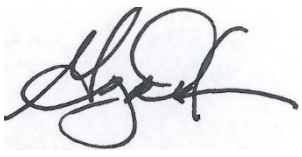

To all our valued customers:

Please be advised that Steel Dynamics Engineered Bar Products Division fuel surcharges will be as follows, effective with shipments on November 1, 2026:

- Truck freight will remain at 52% of the rate.
- Rail freight will change to $1.08/route mile.

We will continue to monitor fuel costs closely for any necessary adjustments in the future.

Sincerely,

Greg Dickerson
Dispatcher
