Price Increase Announcement

October 11, 2021

To You, Our Valued Customers:

Effective with shipments November 1, 2021 Steel Dynamics, Inc., Engineered Bar Products Division will be increasing the base price on all Special Bar Quality products by \$60.00 a ton (\$3.00 cwt). This increase will affect orders not covered by a previous price agreement.

If you have any questions, please contact your SDI Sales Representative.

We appreciate your business and continued support.

Sincerely,

Jeff Cordill
Sales & Marketing Manager
