Price Increase Announcement

April 9th, 2018

To You, Our Valued Customers:

Effective with shipments on June 1st, 2018 Steel Dynamics, Inc., Engineered Bar Products Division will be increasing the base price on all Special Bar Quality products.

Hot Rolled Bar through 3.500" - \$30/ton (\$1.50 cwt)

Hot Rolled Bar above 3.500" - \$50.00/ton (\$2.50/cwt.)

The monthly Scrap & Alloy Surcharge, and Fuel Surcharges will remain in effect and are in addition to the increases above

We appreciate your business and continued support.

Sincerely,

A handwritten signature in black ink that reads "Jeff Cordill". The signature is written in a cursive, flowing style.
